

Nebraska State Fire Marshal – Training Division

Request for Certificate of Reciprocity

Reciprocity Policy

Individuals in possession of certification from another certification entity may request reciprocity from the Nebraska State Fire Marshal – Training Division. The SFM-TD will only grant reciprocity for the levels of certification that we are currently accredited to by IFSAC and/or ProBoard. The SFM-TD will not provide a new IFSAC or ProBoard certification seal number or certificate as the individual has already attained national certification and recognition at said level. You must be a current member of a recognized emergency response agency in Nebraska before reciprocity will be granted. The fee for reciprocity for each certification is \$15.00.
