

State Fire Marshal – Training Division

30 – Day Notification Waiver Form

The State Fire Marshal - Training Division has within its Certification Policy and Procedure a rule that requires all candidates to be given a 30-day notice prior to any scheduled test date.

If the candidate wishes to test for certification and waive the 30-day notification requirement, the candidate may do so by completing this form, signing it and submitting the form to the Training Division Office in Grand Island. If a PSE test site has been established and attending candidates have been notified of said test site, then the 30-Day Notification Waiver Form must be signed and submitted to the Chief Examiner on-site before the candidate will be permitted to take the written examination. However if the Waiver Form is used, it must be in conjunction with an application already submitted to the SFM-TD Office and the candidate's name must appear on a qualifications list. There will be no last minute or walk-in's onto the test site; applications or waiver forms will not be accepted.

Exception-Instructor I: If a student in an Instructor I course wishes to be a candidate to test for Instruction I certification, which involves performance skill examinations incorporated into the course, the candidate must sign the 30-Day Notification Waiver Form on the first day of class and return to the course Instructor.

Certification Level: _____

Organization (If Applicable): _____

Candidate Name: _____
